TERM 1

What's Important to Me

Children learn about themselves, their families and their school through a variety of activities.

TERM 3

That's Entertainment

This unit focuses on the many forms of entertainment that impact on our lives. Children get the chance to perform in front of a live audience.

in Year 1

TERM 2

All Around Me

Different environments are explored by the children. During activities they become aware of the interactions that take place within particular environments, and how humans impact on them.
