

*Physical Education*

## **TERM FOUR**

### *School Days*

*What was school like for our parents, grandparents or even great-grandparents? What is the history of our very own school? What does the future hold for our school? This unit looks at the past, present and future of schoolina*

*Literacy Block*

## *Year 2 Rules!*

*During this term the students engage in activities that highlight their responsibilities at home and school. Home, school and community rules and laws are investigated. Role play and designing games are a large component of this unit.*

*Music Program*

*Mental Munchies*

## **TERM ONE**

# **What's New in Year 2!**

*All this and more...*

*Easter Hat Parade, Under 8's Day, Junior Sports Day, Cross Country, Education Week, Wipeout Waste, Life Education, Lap-a-thon, Arts Council Performances, World of Maths*

### *Our Neighbourhood*

*Aspects of the local area are explored including the plants and animals that contribute to the environment around us. In-depth examinations of different mini-beasts are undertaken.*

## **TERM THREE**

### *Moving Right Along*

*All aboard for a unit that looks at sea, air and land transport. In this action-packed unit, students will look at the variety of transport, historical aspects of transport, as well as how transport helps us in our everyday lives.*

## **TERM TWO**
