

What's for me in Year 3?

TERM 1 – THE GREAT OUTDOORS

How do people and other living things make use of their immediate environment? This unit aims to find out by taking the students on a journey through wetlands, deserts, forests, mountains and more.

TERM 2 – CHAMPIONS ONE AND ALL

This unit looks at the strengths of individuals and how these can be utilised, in a team situation, to achieve a common goal. The goal should aim to benefit others.

All this and more...

Easter Hat Parade Under 8's Day Junior Sports Day
Cross Country Education Week Wipeout Waste
Life Education Lap-a-thon World of Maths
Arts Council Performances

TERM 3 – GETTING THE MESSAGE ACROSS

Communication is an integral part of our daily lives. Ancient and modern communication methods are explored in this unit.

TERM 4 – WHERE IN THE WORLD IS.....?

Travelling the world is something many people aspire to do. Living in another country and comparing it to our own makes for some exciting educational experiences. In this unit the students take a glimpse of life in other countries.
