Go for Year 6!

Into the Melting Pot

We live in a multicultural society and cultures celebrate their own customs, traditions and beliefs. This unit investigates cultural differences, benefits of a multicultural society, as well as problems and stereotyping.

TERM 1

Natural Disasters

Natural disasters are an everyday occurrence. How we deal with, or survive them depends on our knowledge and preparation. In this unit a variety of natural disasters are studied along with the aftermath of their effects.

TERM 2

Advertising Power

This unit examines the potential power of advertising in our lives. Many different advertising forms and techniques are used to sell a product. Advertising has both positive and negative effects. As consumers it is important that we have the skills to be critical of advertising.

TERM 3

Leaders At Last

What makes an effective leader? Who are some great leaders and why do we look up to them? In this unit leadership qualities are examined and practised prior to the students' entry into Year 7. Focus is on being an effective member of the school community.

TERM 4

Other activities : Mebbin Camp, Senior Sports Day, Cross Country, Swimming Carnival, Arts Council, Life Education, Talent Quest, Surf safety, and much more...
