We request that you sign up to the Department of Education's online parent portal, QParents.

This is where you sign consent forms, receive report cards, pay invoices and notify us of your student's absences. Once your enrolment commences, we will need the following consent forms completed in the QParent portal:

Student Resource Scheme (SRS) Participation

This is our Student Resource Scheme. It provides individual student resources such as stationery, equipment for personal use, digital licenses and many items used by the student in the classroom.

Online Services Consent

Our school uses tools and resources to support student learning, including third party (non-departmental) online services hosted and managed outside of the Department of Education network. These are online services including websites, web applications and mobile applications that are delivered over the internet or require internet connectivity.

State School Consent

The State School Consent Form may, at your discretion, provide consent for personal information and student materials to be published online or in other public forums.

You will receive communication via email from Austnews (epublisher) of any alerts or current updates. Please check your junk folder if you are not receiving email communications from us. You can expect a monthly newsletter and Parent Updates from our Principal, Mrs Button.

Please remember to update your details if they change, so that we can keep them current for you.
