## School Overview

Ormeau State School is located in the Canowindra Estate approximately fifteen kilometres south of Beenleigh. In June 2018 our school enrolment is 930 students in Years Prep to 6. There are thirty-seven class groups with an average of five or six drafts of each year level. Classes are all below the target size of twenty-five in years one, two and three and twenty-eight in years four to six. Curriculum content is determined by the Australian Curriculum in eight key learning areas- English, Mathematics, Science, Technology, The Arts, Health and Physical Education, Humanities and Social Sciences, and Language Other Than English (German). Our 45 SEP students have disabilities across the range. All students who are identified with a special need are provided with an individual learning program. This is a plan developed by staff in consultation with parents and teachers and specifies how the learning and support program will be adjusted to meet the needs of each student. These programs outline the major focus for students' behaviour and learning.

The school site is small (4.5 hectares) with landscaped gardens and native trees. The school opened on this site in 1986 following a relocation from the opposite side of the highway where space was limited. The classroom buildings are mostly low set with one double storey block. Ormeau State School became an Independent Public School in 2015 following community consultation. With that came a commitment that Ormeau would position itself as a specialist Science school.

Our school values are:

**O**pportunity **R**esponsibility **M**anners **E**xcellence **A**cceptance **U**nity

### History

The first meeting of parents was held on 28 March 1878 when residents formed a committee to agitate for a school of their own. At that time only Pimpama was opened and children had to walk across heavily timbered ridges to get to school. The first teacher was Mr Hutton

Banks who opened the doors with 17 children on 5 August 1878. The school was known as Podinga Provisional School.

1892 Name changed to Ormeau Provisional School

1909 Ormeau, along with a large number of Provisional Schools throughout Queensland, became a State School.

1917 A new school was built to accommodate a growing community. The same site was used.

1937 A new site was selected and another school was built. As the community continued to grow additional buildings were added and eventually the site became too small again with several demountable buildings.

1978 Land donated by the Holm family for a new site on the opposite side of the highway in Canowindra Estate, Pimpama. Ormeau State School area is only 4.5 hectares. 2003 Ormeau State School celebrated 125 years of learning and teaching with a *Sunday Funday* on 2 August 2003. The 125<sup>th</sup> Anniversary Dinner was held at the Gainsborough Greens Golf Club to celebrate achievements. The great debate entertained the gathering and was titled "*That the good old days were not really so bad*".

2007 Population is 885 (June 2007) and growing.

2008 Growth continues. Enrolment peaked at 1050 students. Norfolk Village State School was built to relieve enrolment numbers.

2015 Ormeau State School became an Independent Public School with an enrolment of 780 students (March 2015).

2016 Enrolment = 826 students

2017 Enrolment reached 900 students ... again.

## Principal's Foreword

### Introduction

**2017** has been significant in the lives and development of young Ormeau students. We have continued to uncover new talents, develop initiatives that reveal priceless rewards and watch the growth of our students, academically, socially and emotionally.

The most important sign of the healthy life of a school is found in its curriculum, the totality of opportunities we provide for the education of each student. The curriculum is under constant monitoring and evaluation. We continue to offer a wide curriculum that we believe really caters to the interests of our students. The range of extracurricular activities on offer each term continues to impress. From the regular sporting program to the lunchtime A.C.E. programs and then on to after school activities, Ormeau State School can indeed hold its head high in its attempt to engage students in worthwhile activities. All of these activities gather momentum each year and can only enhance the life of students and engage them in life-long learning.

### School Progress towards its goals in 2017

- Curriculum Framework progressed – in 8 Key Learning Areas
- Explicit teaching of Reading and daily writing activities
- Intervention programs value-added
- Reading Comprehension strategies explicitly taught
- Special Education – increased enrolments
- Annual Performance Plans for administrators, teaching staff and ancillary staff
- Strong links maintained with Ormeau Woods S.H.S.
- Science as a specialist field – our I.P.S. initiative

### Future Outlook

Our Annual Implementation Plan for 2017 identifies the following priorities:

- Teams to analyse student performance data
- Sharp and narrow improvement agenda – Reading
- Collaborative classroom visits
- Feedback Protocols

### How Information and Communication Technologies are used to Assist Learning

**Ormeau State School** aims to position itself as a centre of continuous learning for staff, students, and the community, with a strong emphasis on Information and Communications Technology. We believe it is vital that ICT tools are available for teachers to support their everyday practice and we have allocated computers for all teaching blocks as we explore the potential for great improvement in teaching practice and learning management skills. The school has a full optic fibre link to all classrooms and iCentre. In addition, all classrooms have a small number of computers also connected to the curriculum network. One computer Lab was accessible to junior students. Wireless cabling has been installed in the iCentre and Multipurpose Hall also. All students have access to the internet, personal email service and the school’s webpage. Each school member has a unique access login and password. Information Communication Technology is an integral component of teaching and learning in all classrooms.

In 2017, the school’s managed operating environment was maintained by an IT technician and all teachers were equipped with a laptop. The OneSchool system for student assessment and reporting was used.

## Social Climate

### Overview

Social climate at **Ormeau State School** is generally exemplary and in keeping with our school motto of *Helping Each Other To Do Our Best*. Results from the 2017 School Opinion Survey reveal good satisfaction from students, staff and parents with ALL areas of the survey.

A Leadership Program exists to offer additional opportunities with Peer Mediation and Buddy classes in the Junior school so that the intent of our school motto “*Helping Each Other To Do Our Best*” is fully realised. Values Education is fundamental to all aspects of school activity with a determination to develop student leadership potential, interpersonal capabilities and social responsibility. Our school’s core values have been embedded in practice and will drive our Values and Social Skills Program each year.

Our school values are:

**O**pportunity **R**esponsibility **M**anners **E**xcellence **A**cceptance **U**nity

# 'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

### Parent and community engagement

The school enjoys a great deal of support from the Parents' and Citizens' Association, local community and parent helpers. The local community puts due emphasis on the importance of the school in community life with the school acting as a centre of the developing community. The school and community work harmoniously together in keeping with the school's motto - *"Helping Each Other To Do Our Best"*.

Results from the 2017 Parent Opinion Survey indicated an overall outcome of satisfied-very satisfied for all performance areas. These results are indicative of the general support that parents and the wider community have for Ormeau State School. Feeder high schools are generally keen to receive our students exiting for higher education.

A School Council exists to assist the Principal with the strategic direction of the school.

### Respectful relationships programs

The school has developed and implemented programs that focus on appropriate, respectful and healthy relationships. In 2016 we explored the following:

- Bravehearts Education – Prep to Year 3
- Life Education – all year levels
- Social Skills – delivered by B.A.T.
- Values Education – delivered by senior students from Year 6
- Graduation – Year 6
- Early Years network for cluster – reciprocal partnership
- Community relationship with Holcim Quarry

The school has developed and implemented a program/or programs that focus on appropriate, respectful, equitable and healthy relationships.

### School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

#### SCHOOL DISCIPLINARY ABSENCES

Type	2015	2016	2017
Short Suspensions – 1 to 10 days	20	18	12
Long Suspensions – 11 to 20 days	0	2	0
Exclusions	0	0	1
Cancellations of Enrolment	0	0	0

## Environmental Footprint

### Reducing the school's environmental footprint

The school has been challenged to improve its environmental footprint at a time when the community is very conscious of sustainability issues. Our waste management practices of recycling have continued to significantly reduce our land fill waste. Our water consumption has also been reduced through the use of tank water for toilets. The planting of native species and mulching are used extensively to maintain the moisture in the ground.

In 2016, data projectors were maintained in all learning areas. This assisted teachers in providing interactive and highly visual lessons. A reduction in photocopying costs resulted.

Students from each class were responsible for switching off lighting and air conditioning units in an effort to conserve energy. A policy for the use of air conditioners was enforced. Power Rangers in each classroom are responsible for compliance with all energy usage.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	213,488	
2015-2016	217,789	1,079
2016-2017	228,415	6,972

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

### Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

**Ormeau State School** managed roll marking electronically twice per day in each class using the OneSchool application. Absence reports were generated weekly and followed up by the AO2 and Principal, with phone contact and letters sent home for explanation. In addition, a school generated letter using traffic lights and data from the OneSchool Dashboard was sent home at the end of each semester indicating attendance progress as a percentage.

## Conclusion

We strive to uncover new talents, develop initiatives that reveal priceless rewards and watch the growth of our students, academically, socially and emotionally.

We want an Ormeau child to be happy, to be a competent learner, to be a confident member of the school community, to have faith in his/her teacher and to feel sure of the teacher's regard and interest. To achieve all this we set rules and goals which are attainable and, to the student, sensible. Our teachers actively seek out evidence of bullying in any form and act strongly to resolve any such situation. All at the school are proud of its attainments, of our pupils' appearance, and of the parents who have worked so hard with us to achieve students who fully achieve their potential.
