

Ormeau State School

Getting Ready
For Prep

WELCOME TO PREP

Welcome to Prep at Ormeau State School. We are looking forward to working with you and your child to provide a wonderful year of learning and development. Prep teachers encourage you to volunteer in your child's class, so you can participate in this exciting transition with them.

Here are some tips for the first day of school:

- arrive early and familiarise your child with the new surroundings*
- let your child carry their own bag and place it on the bag rack*
- introduce yourself and your child to the teacher and teacher's aide*
- tell your child when you will be back to pick them up in the afternoon and where you will be waiting outside the classroom*

OPERATING TIMES

- Prep classrooms will open at 8:30am. At this time parents are encouraged to spend time with their child reading a book, solving a puzzle, or participating in a fine-motor activity until the learning bell rings.*
- Class commences at 8:50am and concludes at 3:00pm.*
- If you arrive before 8:30am please wait in the undercover tuckshop area where there is a member of staff on duty.*
- After 3pm, students are not to play on the school playgrounds as staff will be involved in meetings and class preparation, and will therefore not be able to supervise students. Students remaining after 3pm will be taken to the office for collection.*

**All students must be accompanied to and from the classroom by a responsible adult or older sibling. If you arrange for someone else to collect your child please inform your child's teacher.*

COMMUNICATION

To facilitate a collaborative approach to your child's learning, Prep teachers look forward to open communication between staff and parents. Please communicate with your child's teacher to discuss any concerns, however small they may seem. If you wish to discuss your child at length, please contact the classroom teacher to book an appointment.

All children arriving late for school (after 8:50am) are required to come to the office. No child arriving late will be permitted to go to the classroom until a member of Administration has signed him or her into the late register and issued a late slip for the child to take to the class teacher.

If your child becomes ill at school, staff will contact you first. If staff cannot get in touch with you, a nominated emergency contact person will be notified to collect your child. Please ensure these details are always up-to-date with the office staff.

Medication will only be administered during school if it is prescribed by a doctor, pharmacy labelled and all details of dosage and times are clearly stated on prescription medication. Over the counter medication will only be administered with a doctor's letter. A school medication form will need to be completed for the office staff to administer any medication.
